

# INTERNATIONAL ANNUAL SYMPOSIUM FOR DENTAL, MEDICAL & ALLIED SCIENCES

ON

“MANAGEMENT OF TMJ DISORDERS & CRANIOFACIAL  
DEFORMITIES – A SIMPLIFIED LOGISTIC APPROACH”

## AQUARIUS 2017

6<sup>th</sup> & 7<sup>th</sup> February, 2017

**VENUE: NIMS UNIVERSITY, JAIPUR, RAJASTHAN, INDIA**

## MESSAGE

It gives me immense pleasure and honour to cordially invite you to participate in "International annual dental symposium focuses on the management of TMJ disorders and craniofacial deformities-a simplified logistic approach" to be held at Nims University, Jaipur on 6<sup>th</sup> & 7<sup>th</sup> February, 2017.

The scientific programme promises to bring together a fascinating and diverse mix of international and national speakers providing elaborate presentations and educational sessions. The key issues to be discussed are based on the recent advances in surgical management of TMJ along with the functional and orthodontic management of mid face deficiency in cleft and craniofacial disorders. This symposium will also focus on the management of child abuse in developing countries which will be benefits for post doctoral students of medical and dental fraternity.

The international symposium is focusing on developing a programme for gaining knowledge and improvising on the management skills. The committee promises to provide most updated, International state of the art information on the latest developments for doctors and promote exchange of information and ideas in the same field. We look forward to greeting you in what promises to be an exciting and fruitful meeting with high scientific standards.

We look forward to welcoming you to the Pink city of India, Jaipur, India. We hope that you would be able to accept our invitation and join us for what promises to be a fascinating meeting.

Respectfully yours,

**Prof. (Dr.) Balvir S. Tomar**

Chairman & Chancellor, Nims University, Jaipur

**Prof. (Dr.) Balvir S. Tomar**

**Chairman & Chancellor**

Nims University, Jaipur, India

Dear Colleagues,

A very happy new year and seasonal greetings for all the Doctors & Dentists from India & Abroad. Whether or not you formulate New Year's resolutions; February does seem to be the time to improve individual health & Dental care practices. The **International Annual Dental Symposium** focuses on *the management of TMJ disorders and craniofacial deformities –a simplified logistic approach* to be held at NIMS university, Jaipur, on 6<sup>th</sup> & 7<sup>th</sup> February, 2017.

The scientific programme promises to bring together a fascinating and diverse mix of International & National speakers providing elaborate presentations and educational sessions. The key issues to be discussed are based on the recent advances in surgical management of TMJ along with the functional and orthodontic management of mid face deficiency in cleft and craniofacial disorders. This symposium will also focus on the management of child abuse in developing countries which will be beneficial for post doctoral students of Medical & Dental fraternity.

The international symposium is focusing on developing a programme for gaining knowledge and improvising on the management skills. The committee promises to provide most updated, International state of the art information on the latest developments for doctors and promote exchange of information and ideas in the same field. We look forward to meeting you in what promises to be an exciting and fruitful event with high scientific standards.

"Welcome you all to the Pink City of India".
