

Transforming the Future of
Paramedical Sciences At

NIMS COLLEGE OF PARAMEDICAL TECHNOLOGY

Transforming the Future of Paramedical Sciences

Introduction

NIMS University, Rajasthan, stands as a beacon of excellence in healthcare education, offering unparalleled paramedical programs that blend academic rigor with real-world clinical experience. With a 1700+ bedded NABH-accredited Super Specialty Hospital and cutting-edge medical infrastructure, we are committed to shaping skilled healthcare professionals who make a global impact.

Vision

To be a globally recognized center of excellence in paramedical education, fostering innovation, research, and hands-on training to produce future-ready healthcare professionals.

Mission

- To provide students with world-class education, research, and clinical training.
- To develop highly skilled professionals through hands-on exposure to advanced medical equipment.
- To collaborate with top healthcare institutions and international universities for global learning opportunities.
- To ensure 100% placement assistance, empowering students to excel in their careers.

Why choose us?

1

State-of-the-Art Infrastructure –

Experience learning with CT, PET CT, 3T Siemens MRI, 3D & 4D Ultrasound, Digital X-ray, BMD, Advanced ECHO and CATH Lab.

2

International Exposure & Collaborations

Opportunity for students to study abroad in Leading Universities of the World

3

High-Impact Research & Innovation

Access to ultra-modern research labs with cutting-edge technology

4

Elite Faculty –

Learn from experts, with all faculty members from AIIMS and other top institutions, PGIMER Chandigarh, SMS & more..

Unparalleled Training & Clinical Exposure

- **Hands-on Training from Day 1** – Clinical exposure starts in the first year with access to 500+ OPD and 1500+ IPD patients daily in 1700+ bedded NIMS Super Specialty Hospital, NABH Hospital, Evaa Hospita and SwaNetra Eye Hospital.
- **At NIMS, students gain first-hand experience through independent handling of 1,000+ CT scans, 1,000+ MRIs, and 1,000+ PET-CT scans** before completing their course. This rigorous hands-on approach ensures graduates are industry-ready and excel in real-world healthcare settings.
- **Largest Lecture Theatre in Asia** – A technologically advanced learning space for an immersive educational experience.
- **Earn While You Learn** – M.Sc. Paramedical students receive a stipend of ₹20,000 during their studies at NIMS.

Practical Exposure & Skill Development

- UGC-approved programs with hands-on hospital training from semester 1.
- 1,700+ bedded multispecialty hospital for real-time patient care experience.
- Advanced paramedical labs such as

Clinical Pathology

Biochemistry

Microbiology

Radiology

and many more...

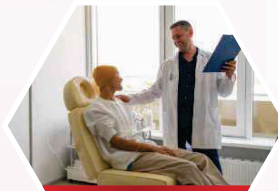

Specialized Training In

OT Technology

Radiology

Dialysis

Medical Lab Technology

Emergency Care

Physiotherapy

Industry & Cultural Exposure

- Partnerships with leading healthcare providers for internships.
- Emergency and trauma care exposure through real-time hospital assistance.
- Clinical rotations in various hospital departments

OPD

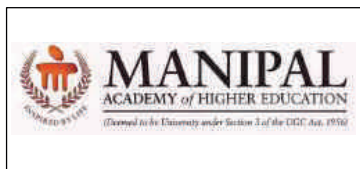

IPD

ICU

OT

PROGRAMS OFFERED

Discipline	Name of Programme
Diploma	Diploma in Medical Lab. Technology
	Diploma in Radiation Technology
	Diploma in E.C.G Technology
	Diploma in Ophthalmic Technology
	Diploma in Operation Theater Technology
	Diploma in Dialysis Technology
	Diploma in Blood Bank Technology
	Diploma in Cath. Lab. Technology
Undergraduate	Bachelor in Dialysis Technology
	Bachelor in Transfusion Medicine Technology
	B.Sc. in Medical Laboratory Technology
	B.Sc. in Radiation technology
	Bachelor of Ophthalmic Technology

PROGRAMS OFFERED

Discipline	Name of Programme
Undergraduate	B.Sc. in Operation Theatre Technology
	Bachelor in Cardiac Perfusion Technology
	Bachelor in Radiotherapy Technology
	Bachelor in Emergency and Trauma care Technology
	Bachelor in EEG Technology
	Bachelor in ECG Technology
	Bachelor in Cath Lab Technology
	Bachelor in Endoscopy Technology
Postgraduate	M.Sc. in Medical Laboratory Technology
	M.Sc. In Medical Lab. Technology (Pathology)
	M.Sc. In Medical Lab. Technology (Microbiology)
	M.Sc. In Medical Lab. Technology (Biochemistry)
	M.Sc. In Radiation & Imaging Technology
	M.Sc. In Ophthalmology & Optometry Technology
	M.Sc. In Dialysis Technology

PROGRAMS OFFERED

Discipline	Name of Programme
Postgraduate	M.Sc. In Operation Theatre Technology
	M.Sc. In Blood Transfusion
	M.Sc. In Anesthesia Technology
	M.Sc. In Emergency Medical Technology
	M.Sc. In Intensive Care Technology
	M.Sc. In Cardiac Perfusion Technology
	Master of Optometry
	M.Sc. In Respiratory Therapy
	M.Sc. In Radiotherapy Technology
	M.Sc. In Operation Theatre Technology
PHD	Ph.D. in Medical Laboratory Technology
	Ph.D. in Radiology and Imaging Technology
	Ph.D. In Ophthalmology & Optometry Technology
	Ph.D. In Blood Transfusion
	Ph.D. In Optometry
	Ph.D. In Operation Theatre Technology

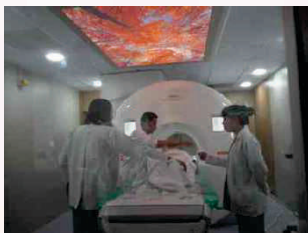

VALUE-ADDED COURSES & COMPETITIVE EDGE

• **Personality Development Programs (PDP)**, communication skill training, and basic foreign language courses.

• **Weekly practical assessments and mock tests** to prepare for real-world emergencies.

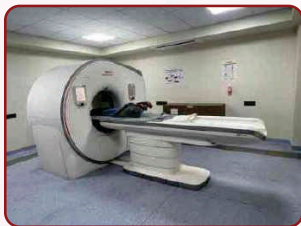

• **Job-oriented certifications** in advanced medical equipment handling and emergency response.

Essential Real-Time Clinical Experience
