1. Section 4(1)(b)(i), The particulars of its organization, functions and duties

Nims University Rajasthan, Jaipur, one of the leading universities in India and a largest self-financed university in Rajasthan, is structured as a composite model university. A legendary in quality teaching and action oriented research in all disciplines, the university is located in a sprawling campus, surrounded by the Aravali hills and in one of the country's most picturesque cities, Jaipur, the Nims University stands tall in Aravali hills along the Jaipur-Delhi Highway, boasting of its State-of-the-Art infrastructure. The phenomenal growth of the university during last nine years speaks volumes of its commitment towards higher education. Established under the Nims University Rajasthan, Jaipur Act, 2008, enacted by the Government of Rajasthan and recognised by the Government of India Under the provisions of Sections 2(f) of the University Grants Commissions Act, 1956, it is among the few technical universities in the nation that has all the modern amenities and provides the highest caliber of education in a variety of degree courses. The University is recognized by University Grant Commission, Medical Council of India, Dental Council of India, Pharmacy Council of India, Indian Nursing Council, Bar Council of India, Rajasthan Paramedical Council and Council of Architecture.

The University is heading towards a leading centre of education in health sciences to human sciences, technical training to advanced engineering, personnel to corporate management, creative literature to innovative multimedia, art and architecture. NIMS truly is an Oasis for the students enrolled here amidst the predominantly arid landscape of the region, offering various courses in medical, dental, pharmacy, paramedical, engineering and technology, management, architecture, humanities, fashion design, law etc. preparing young minds for a better tomorrow.

The objective of the University:- The object of the University is to undertake research and studies in the disciplines specified in Schedule II of the Act and such other disciplines as the University may with the prior approval of the State Government, determine from time to time and to achieve excellence and impart and disseminate knowledge in the said disciplines.
Functions of the University

The University shall have the following powers and functions namely:

(a) To provide for instructions in the disciplines specified in Schedule II and to make provisions for research and for the advancement and dissemination of knowledge.

(b) To grant, subject to such conditions as the University may determine, diplomas or certificates, and confer degrees or other academic distinctions on the basis of examinations, evaluation or any other method of testing on persons, and to withdraw any such diplomas, certificates, degree or other academic distinctions for good and sufficient cause;

(c) To organize and to undertake extramural studies and extension service;

(d) To confer honorary degrees or other distinctions in the manner prescribed;

(e) To provide instruction, including correspondence and such other courses, as it may determine;

(f) To institute Professorships, Readerships, Lectureships and other teaching or academic posts required by university and to make appointment thereto.

(g) To create administrative, ministerial and other posts and to make appointments thereto;

(h) To appoint persons working in any other University or organization having specific knowledge permanently or for a specified period;

(i) To co-operate, collaborate or associate with any other university or authority or institution in such manner and for such purpose as the University determine;

(j) To establish school, institutions and specialized laboratories or other units for research and instructions as are in the opinion of the University, necessary for the furtherance of its object.

(k) To Institute and award fellowship, scholarship studentships, medals and prizes.

(l) To establish and maintain hostels for students of the University;

(m) To make provisions for research and consultancy and for that purpose to enter into such arrangements with other institutions or bodies as the University may deem necessary;

(n) To determine standards for admission into the University, which may includes examination, evaluation or any other method of testing.

(o) To demand and receive payment of fees and other charges.
(p) To supervise the residences of the students of the University and to make arrangements for the promotion of their health and general welfare;

(q) To make special arrangements in respect of women students as the University may consider desirable.

(r) To regulate and enforce discipline among the employees and students of the University and take such disciplinary measures in this regard as may be deemed necessary by the University.

(s) To make arrangements for promoting the health and general welfare of the employees of the University;

(t) To receive donations and acquire, hold, manage and dispose of any movable or immovable property.

(u) To borrow money with the approval of the Sponsoring Body for the purposes of the University.

(v) To mortgage or hypothecate the property of the University with the approval of the Sponsoring Body.

(w) To establish examination centres.

(x) To ensure that the standard of degrees, diplomas, certificates and other academic distinctions are not lower than those laid down by AICTE, NCTE, UGC, MCI, PCI and other similar bodies established by or under any law for the time being in force for the regulation of education;

(y) To set up off campus centre within or without the State, subject to the provisions of any other law for the time being in force; and

(z) To do all such other acts and things as may be necessary, incidental or conductive to the attainment of all or any of the objects of the University.
