

Nims University Rajasthan, Jaipur

NH-11 C, Jaipur Delhi Highway, Jaipur – 303121 Rajasthan, India

Perspective Plan

INTRODUCTION

Nims University Rajasthan, Jaipur, One of the Leading Universities in India and a Largest self-financed university in Rajasthan, is structured as a **composite model university**. A legendary in quality teaching and action oriented research in all disciplines, the University is located in a sprawling campus, surrounded by the Aravali hills and in one of the country's most picturesque cities, **Jaipur**, the Nims University stands tall in Aravali hills along the Jaipur-Delhi Highway, boasting of its State-of-the-Art infrastructure. The phenomenal growth of the University during last Seven years speaks volumes of its commitment towards higher education. Established under the Nims University Act, 2008, enacted by the Government of Rajasthan and recognised by the Government of India Under the provisions of Sections 2(f) and 22 of the University Grants Commissions Act, 1956, it is among the few technical universities in the Nation that has all the modern amenities and provides the highest caliber of education in a variety of degree courses. The University is recognized by MCI, DCI, PCI, INC, BCI and COA

The University is heading towards a leading centre of education in health sciences to human sciences, technical training to advanced engineering, personnel to corporate management, creative literature to innovative multimedia, art and architecture. NIMS truly is an Oasis for the students enrolled here amidst the predominantly arid landscape of the region, offering *more than 500 courses* in medical, dental, pharmacy, paramedical, engineering and technology, management, architecture, humanities, fashion design, law etc. preparing young minds for a better tomorrow. The University is duly recognized by the *UGC, AICTE as well as Apex level regulatory councils and is member of Association of Indian Universities (AIU)*.

The imposing campus situated in Aravali hills on Jaipur-Delhi Highway, is a home for thousands of students coming from different parts of the country as well as the world, providing an amazing blend of cultures and giving international exposure to the native students. In addition to inculcating essential skills in practicing physicians and technologists, the programme also attempts to attune them towards achieving the highest professional and human goals.

VISION

To Provide Outstanding Learning Experience for Excellence in Education, Healthcare and have a transformative impact on Society through continual innovation in Education, Research and Entrepreneurship. **global**
